SECO Annual Professional Development Conference

John S. Knight Center
East Mill Street
Akron, OH 44308

February 10 - 12, 2011

The Teaching Zone

(General Session Speaker, 10:00 AM, Friday)

Bruce Boguski is an author, motivational speaker, columnist, and media personality well known for his ability to inspire others. Bruce is President of The Winners Edge, a peak performance consulting firm. He is a nationally known presenter on motivational tactics and mental toughness training for school, sports and business professionals, using high-energy, interactive techniques to inspire and delight his audiences.

Get inside the best science education that Ohio has to offer at the 2011 **SECO Professional Development Conference** when we bring science to Akron, Ohio, February 10 - 12, 2011.

Whether you are a science teacher, an administrator, or even a business executive, you will find an exciting opportunity to grow at SECO. Do you want new teaching strategies, learning activities and engaging labs aligned to the Ohio Standards? SECO will help you help your students. We have over 100 options, each one counting for your continuing education credits.

Conference Highlights:

In addition to the fantastic **general session presentations**, you will have your option of attending over **100 presentations** tailored to your grade level, subject of science, and interests. You may also individually purchase **four hour short courses**.

NOTE: The format of the conference has changed in order to allow attendees additional time for short courses and a full day of activities on Saturday.

HOURS:

Thursday	02/10/2010 - Short Courses Only	4:30 PM - 8:30 PM
Friday	02/11/2010 - Concurrent and General Sessions	8:00 AM - 6:00 PM
	- Exhibit Hall	10:00 AM - 6:00 PM
Saturday	02/12/2010 - Concurrent and General Session	8:00 AM - 4:00 PM
	- Exhibit Hall	9:00 AM - 2:00 PM

Teach Students Joy—Not Misery

(General Session Speaker, 10:00 AM, Saturday)

Cynthia Kimball is a columnist, consultant, journalist, speaker, success coach, and trainer. She is the founder of Every1Counts, LLC, an organization that helps people and teams find greatness through coaching and training. She has appeared in People magazine, on Comcast Newsmakers and CNN.
